Washington, D.C. 20204

Dear Dr. Kahl:

McLind Corporation wishes to notify the Food and Drug Administration that it has, within the past 30 days, commenced marketing a dietary supplement which bears a nutritional support statement under Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act.

The dietary supplement for which the statement is made is Glucosamine Chondroitin Sulfate. The dietary ingredients that are the subject of the statement are Glucosamine sulfate, Chondroitin sulfate. The statements read as follows.

"Glucosamine and Chondroitin sulfates are the building blocks of healthy joints and tissue. Together, these two remarkable compounds provide superb joint support, helping to strengthen, nourish and lubricate connective tissues and cartilage." "The healthy joint formula."

These statements are accompanied by the required disclaimer which is prominently displayed in bold-faced type.

This information contained in this notice is complete and accurate and the above statement is based on data which renders these statements substantiated, truthful and non-misleading.

Sincerely,
McLind Corporation

Douglas McFarland, M.D.
Director, Product Development
